## Sport Court Update

### Status Report:

In August we had a contractor bid the court in an effort to give us an amount for our fundraisers. Once we raised the amount needed, the second bid came in at a higher cost due to concrete price increases. We are still in need of about \$5,000 to complete our sport court. We have our Spring Fundraiser kicking off on March 7 so we are still hopeful and positive we can have our court up by summer. If you would care to help us with a donation toward our goal, no gift is insignificant. We will put in a half court this year and work at raising the necessary funds next year to complete the court (JV size court). If you have any questions or comments on this, please feel free to contact Eric Peterman in the office.

Half Court Price: \$15,000  
Full Court : \$26,000
